traveller instructions

Read all instructions BEFORE assembly and USE of product. KEEP INSTRUCTIONS FOR FUTURE USE.

assembling your new phil`teds traveller is effortless and tool-free. just follow these simple steps and in 2 minutes you'll be there.

bits ` bobs

a ` b the red numbers below refer to traveller parts indicated within the first two picture grids as well as inside the back flap of this guide.

1. 1 x traveller fabric set
2. 4 x silver leg poles (attached)
3. 2 x silver long rails (unattached)
4. 4 x silver short rails (unattached)
5. 4 x feet (attached)
6. 4 x pegs
7. 1 x self inflating mattress

safe ` sound

we've attained the following safety standards.

- EN 716-1/-2/-3 1995
- ASTM F406-07
- AS/NZS 2195:1999

nitty ` gritty

place the top of the cot (large zipped mesh) face down on the ground.

- c straighten the fabric and lay the four legs '2' inwards on the ground. you are now ready to assemble.
- d snap together the two halves of the unattached long rails.
- e slide each connected long rail into the long side sleeves, one on each long side of the traveller.
- f attach the two shorter rails, with fitted plastic corners, to the inserted long rails.
- g zip the end retaining flaps closed.
- h attach the leg pole to the corresponding plastic corner, repeat for the remaining legs.
- i pull out each of the red rubber foot tabs and attach to the hook on the underside of each foot.
- j turn the traveller onto its feet.
- k inflate the mattress by opening the self-inflating valve. manually inflate as desired. close the valve securely when inflation is complete.
- l unzip the double skinned floor, insert the mattress between the two skins, then close the zip.

warning never use traveller without supplied mattress. **warning** always place mattress inside sleeve beneath traveller as indicated in instructions.

important: when outdoors anchor the cot to the ground by placing the supplied pegs through the holes in the feet.

down she goes

- m** remove the mattress from the cot, undo the valve and deflate.
- n** turn the cot over so that the large zipped mesh is facing down.
- o** release the four red rubber foot tabs from each foot.
- p** slide legs off the plastic corners.
- q** unzip the two end retainer flaps and remove each short rail. slide out the two long rails and disconnect them from each other by pressing the snib-lock buttons.
- r** role up the fabric with the attached legs.

cuts ` bruises

cleaning & caring for your traveller.

the once over

check the traveller for cuts & bruises. If your traveller is damaged in any way, or you are not

sure how to use it, contact your retailer immediately. the fabric on your traveller is highly water resistant, but zips and seams can leak.

caring for the traveller

- unlike children, your traveller likes to stay clean.
- dry your traveller thoroughly before storing.
- remove dry dirt with a soft brush.
- do not wash with soap, solvents, bleach, or detergents. (these may harm the fabric). store in a well ventilated space, away from moisture and direct sunlight (which can harm and fade your traveller's vibrant coat).

rights ` remedies

consumers may have extra rights in some countries or states. our products are warranted against defects in materials and workmanship for one year from the date of purchase. if the product has a manufacturing fault we will repair it for free. if not practical to repair it, we will, at our discretion, replace the part in question. if the product fails due to wear and tear, accident, neglect or negligence, or is outside the warranty, we will happily repair it for a reasonable charge.
